

Marin County

Trout in the Classroom Teacher Training Program

**Saturday,
December 9th**

8:30 – 4 PM

**Bay Model
Visitor Center**

**2100 Bridgeway Ave,
Sausalito**

Cost: \$25

**Includes morning
refreshments, lunch
and training guides.**

Through a classroom experience of hatching fish eggs and coordinated activities, students experience first-hand the value of aquatic environments, the balance that must be met to maintain and preserve California's fisheries and aquatic habitats, and how their personal actions affect these valuable resources.

Successful completion of this training class qualifies teachers to apply for a permit to hatch fish, receive eggs and to receive classroom support and equipment to enable you to hatch fish in the classroom.

Teachers with classes in Marin County will be eligible for classroom support and equipment provided at no cost.

This program is co-sponsored by California Department of Fish & Game, Marin Municipal Water District and North Bay Trout Unlimited.
